

**Product Name :**  
Solar Panels Suppliers

**Product Code :**  
MACHEQ-S-M4201001

**Description :**

Solar Panels

**Technical Specification :**

We are a professional company engaged in the manufacturing and distribution of solar panel starting 3wp-340wp from our state of the art manufacturing facility based The facility is equipped with AAA grade Solar Panels manufacturing machines and designed to manufacture high quality Solar Photovoltaic Modules(PV Module) as per the international quality standards. The experienced production team with clean and centrally air conditioned shop floor enhances the efficiency and durability of the modules.

Our production line is also equipped with Inline EL Tester to ensure that the modules manufactured are free from micro cracks, chipping and misalignment problems. The cells are tested and sorted using Cell tester prior to stringing to ensure uniformity in the output of each cell. The modules are finally tested on Sun Simulator to authenticate the end product quality right upto the customer's satisfaction.

We are offering you high quality 3wp till 340wp panels which are on MNRE guidelines and MNRE Approved.

**Quality**

- Manufactured in highly automated state of the art facilities with rigorous in -house quality control meeting, the highest standards.
- Superior Engineering excellence with special attention to the finest details to ensure longevity and optimal performance in the most challenging circumstances.
- PID free Modules with Long Term Reliability
- Glass with anti Reflective Coating Improves light transmission

- 
- Salt Mist, Ammonia, Blowing sand & Hail Tested
